

AN ISO 9001:2015 CERTIFIED COMPANY

BE-LOK
INSTRUMENT FITTINGS INC

ABOUT US

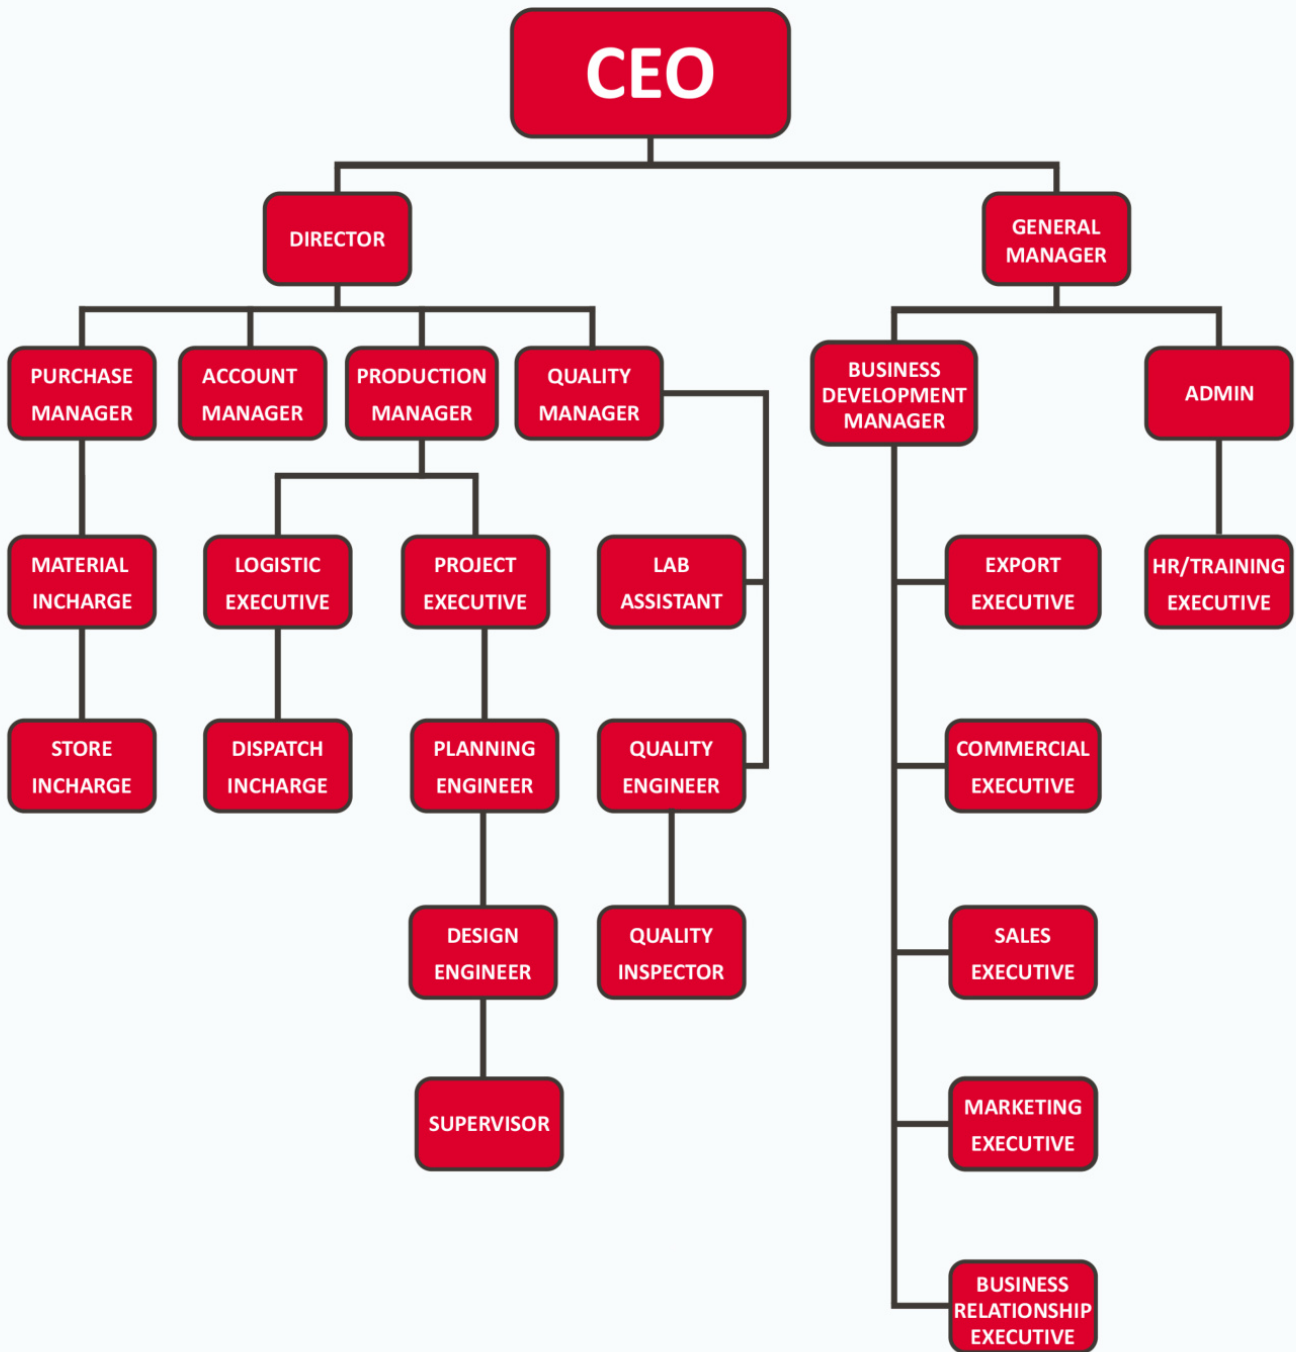

BE-LOK INSTRUMENT FITTINGS INC, an ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, CE & PED certified company based in Mumbai, India. Our brand  was developed to cater high quality products to the buyers looking for a cost effective and reliable partner for their instrumentation fittings and valves requirements.

Over 15 years of industry experience, team of trained engineers & machinists and top of the line machinery combine to give you products and services that delight you. We manufacture and supply our high-quality products as they are or tailor them to meet our clients specifications.

Apart from manufacturing  products we also supply CNC precision turned & milled components, offering complete turnkey solutions for projects involving not only valves and tube fittings but also stainless steel/brass thermowells and temperature sensor parts.

We focus on Timely Delivery, Quality Consistency, Product Improvisation and after sales service all has been instrumental in the phase wise evolution of our company.

OUR TEAM

WHY BE-LOK?

• Why Choose Us

- An Eagle Eye for Perfection & Quality
- Best Solution for your industrial requirement
- Best Competitive Price

- Establish Global partners and collaborations.
- Continue business growth and networking
- Respect and care for the environment with the use of sustainable products
- Remain an attractive employer
- Stay inspired and most of all
- Keep having excited and satisfied clients

PRODUCT RANGE

- ❖ Instrumentation Fittings
- ❖ Instrumentation Valve
- ❖ Hydraulic Fittings
- ❖ Pneumatic Fittings
- ❖ Machined Components
- ❖ Pipe Fittings

INDUSTRIES WE SERVE

- ❖ Chemicals
- ❖ Petrochemicals
- ❖ Food & Beverages
- ❖ Pharmaceuticals
- ❖ Hydraulics
- ❖ Pneumatics
- ❖ Instrumentation
- ❖ Marine
- ❖ Oil & Gas
- ❖ Power Generation
- ❖ Pulg & Paper
- ❖ Semiconductor
- ❖ Alternative Fuel
